Discussants: Benedetta Giovanola (UniMC), Iłona Dąbrowska (UMCS) and Ewelina Górka (UMCS)

SCIENTIFIC WORKSHOP

Security and securitization of e-health

11th April 2022
09.45-15:30 CET – Online

PROGRAMME

09:45 – 10.00

Introduction to the workshop – Katarzyna Marzęda-Młynarska | UMCS

10:00 – 12.30

Presentation “Securitization – the process of intersubjective communication” – Agata Ziętek | UMCS

Presentation “Risk and risk analysis techniques” – Anna Moraczewska | UMCS

Discussants: Benedetta Giovanola | UniMC; Alessia Bertolazzi | UniMC

Break (11:30)

Presentation “Performing medical activity in Poland” Paweł Daszczuk | UMCS

Discussant: Alessio Bartolacelli | UniMC; Alessia Bertolazzi | UniMC

12:30 – 14.00 Lunch Break

14:00 – 15:30

Presentation “Challenges for safe and secure e-health systems: Polish perspective as of 2022” – Marek Niezgódka | Medical University of Lublin

Presentation “Data protection in healthcare - External and internal threats” – Michał Chawraj | IT e-health sector Lublin

Discussants: Alessio Bartolacelli | UniMC; Simona Tiribelli (UniMC), Benedetta Giovanola | UniMC

Online scientific workshop
On April 26th, 2022

**Counteracting digital dis(mis)information and other cyber threats in
the pandemic times:
preventive and corrective actions towards strengthening civil society,
protecting human rights and human well-being**

10.00 – 11.15

Agnieszka Demczuk (University of Maria Curie-Skłodowska)

Introduction: the phenomenon of digital dis(mis)information and its harmful influence on human rights and human well-being

Juliusz Sikorski (The Jacob of Paradies University) The social implications of COVID-19 associated infodemic

Discussants: Alessia Bertolazzi, Benedetta Giovanola, Alessio Bartolacelli

11.15 – 11.30 Coffee Break

11.30 – 13.00

Aleksandra Monkos (Adam Mickiewicz University, Demagog Association)

NGOs versus disinformation: what can we learn from Polish and Ukrainian experiences

Piotr Mateusz Bobołowicz (Maria Curie-Skłodowska University, StopFake.org)

The role of the StopFake.org - against disinformation disrupting the dialogue between societies

Discussants: Alessia Bertolazzi, Benedetta Giovanola, Alessio Bartolacelli

13.00 – 14.30

Maia Mazurkiewicz (Alliance for Europe)

Fact-checking is not enough. How positive communication can prevent change of attitudes influenced by disinformation

Piotr Toczyski (Maria Grzegorzewska University)

EAAD-Best (WP5). Digital mental health tool and website: initial lessons from implementation and transfer in 8 countries

Discussants Alessia Bertolazzi, Benedetta Giovanola, Alessio Bartolacelli
