Preserving fundamental rights in the use of digital technologies for e-health services

Task 3.3. Strengthening the capacity of attracting and managing EU funds: study visit for UMCS employee @ KUL

T3.3: Study visit for UMCS employee @ KUL PROGRAMME

From Monday October 3rd until Wednesday October 5th 2022, the study visit is part of the event “Research managers and administrators’ visit to KU Leuven”, organized by KU Leuven EU-team.

KU Leuven welcomes research managers and administrators to exchange best practices. We will introduce our guests to our approaches towards international research funding support, project and financial management, and the new challenges for RMAs: compliance with open access, research data management and ethics & research integrity. We look forward to share experiences with you!
